We appreciate the faith and trust you instill in us by hiring us to represent you and your dog. Our philosophy is Professionalism, Presentation, and Preparation goes a long way in the world of Dog Shows. Those three words are the cornerstone of Full Throttle Professional Handling.

We have NO Hidden fees or charges.

The following rate information and contract is to ensure that all parties are in agreement regarding the handling and care of your dog.

A copy of the Full Throttle contract, must be signed and on file prior to us handling your dog for the first time.

Once you have signed up to go to a show and the show has closed, you must pay the handling fee whether the dog goes or not - unless it is the fault of the Handler.
